

Hello. My name is Debbie Schafer.

I am the NE RMD for the past nine years. I attend all the quarterly meetings, in St Louis, along with my husband, Ray Schafer, NE RE. I am running for the Sergeant At Arms position because I have a strong commitment and passion for serving people and have shadowed the duties required for this position.

I have attended several NCCC Conventions, co-chaired The People's Choice Car Shows and have built many friendships along the way.

I chaired a few banquets for our local club, Corvettes of Buffalo and currently serve on the Board of Directors.

On a career level, I am a Customer Service Representative for many years. I would appreciate your vote for this opportunity to serve.

Thank you for your support.
