

Hello,

I am Rita Robison and I am running for Secretary of the NCCC.

My husband, Richard and I have been members of the NCCC for 15 years, in the Indiana Region, and have been participating in autocross for about 10 years. I have also been the Indiana Region Secretary for the past five years. We

have one son who is currently in the US Navy, and stationed in Sasebo, Japan, assigned to the USS Bonhomme Richard.

The qualifications that would enable me to serve as the NCCC secretary, besides serving as a Region Secretary, include a 30 year work history as a secretary/administrative and executive assistant. I am also very comfortable with using a computer, the internet, and dictation equipment.

Having served as the Indiana Region Secretary for the last five years, I have a good understanding of how things operate at that level, and would like to bring my experience and abilities to serve as your National Secretary.

I would very much appreciate it if you would choose me as your next NCCC Secretary.

Thank you for your consideration,

Rita Robison
