# President's Message

January 2021

Happy New Years to all! I think everyone is happy to see 2020 in the rearview mirror and we are all looking forward to a much better 2021. The new Covid vaccines seem promising and hopefully we will see the light at the end of the tunnel.

The NCCC Convention will be here before you know it and after sheltering in place for many months I know that I am looking forward to Cleveland in 2021. Your hosts have been busy planning a list of activities that will offer something for everyone, from parties, to tours, to competitive events.

Registration will open soon so check out the latest information at:

<https://www.corvettesnccc.org/2021Convention/Convention2021.php>. And of course you'll want to be dressed in the latest convention gear, so get your shirt orders in now at:

<https://www.corvettesnccc.org/2021Convention/2021ConventionShirtOrderForm.pdf>.

The first NCCC National Governors meeting of the year is officially scheduled for February 19<sup>th</sup> and 20<sup>th</sup> in St Louis, Missouri. The executive board will be looking at the latest data and travel regulations to make a decision to host or cancel this meeting. Check the NCCC web site for the latest information. The executive board, as well as all the various committees, has continued to meet virtually during these tough times and I would like to thank everyone for your patience and understanding. This pandemic did not come with a plan or rulebook. We have all had to make decisions and plans based on our best judgment and in the best interest of our NCCC membership. Please join me in thanking all of the national and regional officers for everything they do in this most extraordinary time.

NCCC continues to be a strong supporter of the National Corvette Museum. The museum has two major events planned this year; the NCM Michelin Bash April 22 through April 24<sup>th</sup>, and the NCM Anniversary Celebration over the Labor Day weekend. I hope you can put at least one of these events on your calendar and I'll see you there. The museum is so important to the preservation of the history of the one thing that brought us all together – the Corvette. If you are not already a member of the National Corvette Museum, please consider joining. Information can be found here:

<https://www.corvettemuseum.org/support/membership>.

As winter and perhaps this pandemic start to fade and spring begins to appear, perhaps we can all enjoy our Corvettes, our local Corvette Clubs, and most importantly, getting together with our extended NCCC family.

That's all for now, stay safe, and...

Save the Wave,  
Dale Samuelson  
NCCC President
