## President's Message

### August, 2020

August – we are well into the second half of 2020 and still no end in sight to these crazy times. I thought by now we would be looking at a downward trend to this pandemic, but instead we are looking at increased numbers, hot spots, closures, and cancellations. I think we're all ready for a break!

Most all NCCC sanctioned events as well as the NCCC Convention, and now the NCCC September Governors meetings have all been cancelled. I know this is a disappointment to many, but the health and safety of all NCCC members is the number one priority.

In these difficult times it is interesting to see how some clubs are thinking “outside the box” to continue hosting events. I know of several clubs that have done police escorted “parades” through local subdivisions or neighborhoods. What a neat way to bring a few moments of enjoyment to others! The National Corvette Museum held a virtual car show with hundreds of entrants (including many NCCC members). The National Corvette Museum Michelin Bash was entirely virtual and was very well attended. Just last week Hagerty Insurance hosted a virtual seminar discussing late model Corvette alternatives to the C8 Corvette. It was very interesting and I hope you attended. Thanks to Hagerty Insurance for their continued NCCC support. If your club is doing something to promote NCCC, your local club, and/or the Corvette spirit, please send me an email and I will try to recognize your efforts. We are all in this together and we look forward to your ideas.

Here's another Corvette event with virtual possibilities. Corvette Cleveland, in conjunction with Corsa, is hosting a Corvette show to benefit a local charity. The link is:

September will bring the National Corvette Museum's 26<sup>th</sup> anniversary celebration and Hall of Fame Induction. Both in person and virtual attendance is offered. I hope you will attend. The link for registration is: <https://webservices.corvettemuseum.org/Client/Login.cfm>

I certainly don't know what the remainder of 2020 will look like. I so miss my NCCC friends, weekend autocrosses, and even the occasional business meetings. Most of all I miss seeing all of you.

That's all for now. Stay safe and...

Save the Wave,  
Dale Samuelson  
NCCC President

## 2021 NCCC Nominations

It is that time of year that NCCC is looking for people to run for office for 2021. With the uncertainty of meetings during this time, the Nominations Committee has been meeting via the phone.

The following positions are up for nominations:

- **President** - Dale Samuelson plans to run again.
- **Vice President of Membership** - Amelia Workman is termed out.
- **Treasurer** - Chris Reitz can run again and is planning on running.
- **Parliamentarian** - Kathy Brisbois is termed out.
- **Public Relations** - John Cantelmo can run again, but is planning on chairing the 2022 Convention.

We would like to have at least one person per position, but two would be great.

To see job descriptions and the Nomination Form, go to the NCCC website:

Please contact the Nominations Committee if you are considering running for any of these offices.

## Advertiser News

Dear NCCC Members:

Although we've never met you, I wanted to take this opportunity to reach out to you during these unprecedented times and let you know that caring for others should be at the top of your list. Likewise, I know your personal well-being is also important. For me, this is how I've been coping with this year...by enjoying doing the simple things in my life to bring back a sense of balance, love, and most importantly, fun. My mom always told me, "This too will pass..."

So, in the meantime, let's talk about what we can control...our own happiness. To bring a smile to my face this last weekend, I turned to the happiest place on earth! No, I'm not talking about Disneyland, I'm talking about my garage. I started with cleaning every square inch of it. Organizing my tools, car supplies, and cleaning off the workbench so it is ready for a maintenance project. Guess what happened? It really energized me, and as I laid my head on my pillow at night, I breathed a sigh of relief that my life felt a little more organized, a little more controllable, and a little more fun. So, make sure you set aside some time for yourself to bring back that balance...your family and loved ones will appreciate it as much as you will.

If you need more supplies to take full advantage of your garage therapy don't forget the 15% discount on care liquids for NCCC members. Use key code: NCCC20.
