## President's Message September 2019

**Labor Day is almost here and that marks the unofficial start of fall.** I hope you had a great summer and took time to enjoy your Corvette and most importantly, your Corvette friends.

**August was a busy month for NCCC.** Corvettes at Carlisle took place August 22<sup>nd</sup> through 25<sup>th</sup> and NCCC hosted a hospitality tent to welcome NCCC members and to introduce NCCC to non-members. Thanks to John and Michele Cantelmo and their group of volunteers for hosting. As usual, this was a huge Corvette event and it is important that we were represented.

**We just got back from the 25<sup>th</sup> anniversary of the National Corvette Museum in Bowling Green, Kentucky.** Again, NCCC hosted a hospitality tent to introduce Corvette owners to NCCC. Thanks to Dave Heinemann and the many volunteers who made this happen. Literally thousands of Corvettes and tens of thousands of Corvette enthusiasts gathered to celebrate 25 years of the museum. NCCC is proud to be a founding member of the museum and we continue to support the museum in many ways.

**September 6<sup>th</sup> & 7<sup>th</sup> will be the NCCC Governors meeting in St. Louis, MO.** Routine business needed to run an organization takes place. Also, election of 4 national officers (Vice President-Competition, Secretary, Business Manager and Sergeant-at-Arms) will happen soon and the September meeting is when the candidates are officially announced. See your club Governor for the complete slate of candidates and help him or her make an informed vote. Your vote counts.

**September 19<sup>th</sup> through 22<sup>nd</sup> is Mid America Motorworks Funfest in Effingham, IL.** Again, NCCC will host a hospitality tent. If you happen to be there, stop in and say hello. This is another big event with lots to see and do.

**In between all these major events, I managed to attend a few social events** with my club, participate in a few autocrosses, and have had a great (and busy) summer. I hope you did too.

**That's all for now** – see you out there.

**Save the Wave!**
