

President's Message

November, 2020

*Dale Samuelson NCCC
President*

November already, the colors are changing, the days are growing shorter, and we've already seen our first dusting of snow. I guess that means one last time to clean the Corvette and put it to bed for the winter. Federal, State, and local elections are just a few days away and I hope you all plan to vote or have already done so. I am so tired of the mudslinging and the negative campaigning at all levels. While we may have different political views, here's one thing I'll bet we can all agree on: Candidates, please just tell me who you are, what you've done in the past, and what you plan to do in the future. I can figure out how rotten the other guy is all by myself!

The November NCCC Governors meeting has been cancelled as we continue to address issues related to the Covid pandemic. All of the various committees continue to meet virtually and conduct the business of NCCC. Officer Election, By-law changes, and Convention 2022 results will be presented at a virtual Executive meeting on November 7th and will be posted on the NCCC web site.

We are in the midst of NCCC Club renewals and that means you are probably renewing your membership to both NCCC and your local club. I know this has been a very unusual year with many events cancelled, but I hope you'll stick with us. Better times are surely ahead and NCCC has so much to offer.

Like many of you, I was so disappointed not to be able to attend the annual NCCC Convention this year. I've attended the Convention every year since 1981 and now I'm looking forward to 2021 in Cleveland, OH. Make sure to put the dates on your calendar now. Here's a link to updated information: <https://www.corvettesnccc.org/2021Convention/Convention2021.php>. I hope to see you there.

I'm always impressed with the way our clubs are facing the challenges of this pandemic and managing to host meetings and events while maintaining all of the required safety protocols. Here is an example of the generous people that make up this organization. My own local club, Northern Illinois Corvette Club, gives a significant amount of money to various charities every year. They've been doing this for many years. Due to the pandemic, three of our major sources of income were lost and the club simply could not responsibly make a donation this year. Not wanting the tradition to die, a call went out to the members to dig in their own pockets and sure enough, the need was met. Just one example that makes me smile and why NCCC is so great.

That's all for now, stay safe, and...

Save the Wave,
Dale Samuelson
NCCC President
