President's Message

December, 2020

December is here and this will be my last email blast for 2020. What a year it has been! Just a year ago no one would have envisioned the pandemic we would face nor how that would have impacted our daily lives. Our medical professionals are telling us that the numbers are increasing in some areas and are even worse than peaks experienced earlier this year. Our national organization and many of our local clubs have cancelled meetings and events, and we have all had to learn new ways to go about our business.

Thanksgiving was just a few days ago and I hope you all had a chance to celebrate and give thanks. My wife and I spent the holiday by ourselves for the first time ever. While we missed spending time with our family (we did do a zoom conference), we didn't want to expose any of us to unnecessary risk. We also realized that we have so much to be thankful for. We are thankful for family, for health, and especially for you – our extended NCCC family.

While NCCC did not have a November Governors meeting, we did have a virtual executive board meeting as well as many committee meetings. We are doing our best to continue to business of the organization while we are unable to meet in person. Elections for national officers took place electronically and your new officers are: President – Dale Samuelson, Parliamentarian – Denny Luther, Director of Public Relations – Craig Kamradt, Treasurer – Chris Reitz, and Vice President of Membership – Steve Johnson. Congratulations to all and I look forward to working with the board over the next two years. I would like to extend my thanks to outgoing officers Amelia Workman, Kathy Brisbois, and John Cantelmo. Your hard work and dedication to NCCC has truly been appreciated.

Last month I mentioned how my local club, Northern Illinois Corvette Club, had asked members to reach into their own pockets to continue to the tradition of charitable giving. I was impressed to hear from several other clubs that had done the same. I continue to be amazed at the big, caring hearts and generosity of our membership. As a well-known past NCCC president was fond of saying... You are the best.

Christmas is just around the corner and soon it will be 2021. There is some hope on the horizon that we can beat this pandemic, and perhaps in the new year we will be able to return to some sort of new normal. I am so looking forward to returning to Corvette club events and spending time with all of you. Have a Merry Christmas and a Happy New year.

That's all for now, stay safe, and...
Save the Wave,
Dale Samuelson
NCCC President
